

UMBRELLA MARCH 2016

INTERNATIONAL REFUGEES DAY

Together we put up our umbrellas in order to show the positive relationship between refugees and the inhabitants of Vorarlberg. Through this we create a colourful picture against racism and xenophobia.

While walking together from the harbour of Bregenz to Landhaus, there are going to be different activities of, with and for refugees.

The aim of this Europe-wide campaign is to draw attention to the current situation of refugees in the EU.

DATE: FR, 17TH JUNE 2016

START: HARBOUR OF BREGENZ, 14 o'clock

TOGETHER UNDER THE UMBRELLA

WE STAND IN SOLIDARITY!

PLEASE BRING YOUR OWN UMBRELLA
